FOREWORD

The ancients thought that every man was born under a certain star; this was probably their way of saying that every man has a great hope—a great aspiration. It is the hope and aspiration of the annual staff to make this book a successful pictorial of the year, embodying all those memorable occasions which are held dear to those who will, with the close of this school year, no longer form a part of the student body.

DEDICATION

In appreciation of his devoted interest in the students and their activities, in respect for his ability and knowledge as a teacher, and in admiration for his clear, honest judgment as our adviser in the past—this, the 1937 edition of the Lahontan, is dedicated to—

PRINCIPAL'S MESSAGE

TO THE CITIZENS OF TOMORROW

This great government, of which you are a part, is a priceless heritage. Wrought piecemeal out of human bondage, forged and fashioned by the suffering and the sacrifices of your forefathers, it emerged a splendid edifice. It is your government. What are you going to do with it?

No government can long endure if shorn of the respect and confidence of its people. Out of the gummage and twaddle of current comment a shadow falls. It may be nothing, but the loom of it is disquieting. It is the spectre of disrespect. It rears its ugly head in the councils of our laborers when "sit down strikes" are called and the property of other people is seized and illegally retained. Now the right of private property is one of the cornerstones in our government. No matter how just the cause of labor, it is never justified, under our system of government, in seizing and holding other people's property. It is not necessary to resort to illegal practices. There are other remedies.

Again we pass within the shadow. This time it is the loss of respect for our courts. If the courts be intimidated, either by the threat of numbers, or the boos of the rabble, what shall become of us? Think of it! Strikers seize a factory; the owners appeal to the courts to restore their property; the court orders the strikers out, and the strikers laugh at the court. I am filled with misgivings. That the orders of a court should be made a mockery is unthinkable.

You are the citizens of tomorrow. If you love your America you will pledge unfailing allegiance to the great institutions upon which America is built. You will demand respect for law and order, for the courts, for the right of private property, and lastly for the duly constituted authorities in government wherever they may be. That is your plain duty. I know you will not fail.

HISTORY—What word could better express it? Yet the true meaning of the word applies to our class as the close of the year nears. For four years we have been a large unit in Churchill County High School and now we are to leave. Even in this last year we have accomplished much that will be remembered by many.

Our student body president, Dale Miller, added to his record another place on the all-state football team. Jim Johnson and Donald Downs represented us at the Forensic meet in debate, held at the University of Nevada. In dramatics Jack Beach, Jim Johnson and Trina Behrmann placed us in the ranks of outstanding Nevada high schools. Bill Prudler was selected as best speaker in the state at the Future Farmer meet. All student body officers for the year and both editor and business manager of the year book were members of the senior class.

The best class party of the year was given by the Seniors. Laverne Drumm as chairman of the decoration committee more than outdid the other classes when she decorated the auditorium in blue and white, with lowered ceiling and a huge cluster of balloons in the center. The balloons provided sport for the dancers and few remained intact when the evening was over.

The Senior assembly was given just before Christmas.

Now we are at the close of our supremacy and must start once more at the bottom of the ladder. If we can be as successful in life as we were in high school we shall have accomplished a great deal.

SENIOR FAREWELL

And now we seniors bid good-bye
As we take fond leave of Churchill Hi;
Our footsteps will no longer roam
The halls and stairs of former home.

As we pursue our single ways,
Oft' will memories come of days
Spent in study and in fun,
Before life's worries had begun.

LOW SENIORS

Left to Right—Geo. Serles, Charles Martin, Fred Stiverson, Leonard Smith, Leo Milner, Richard Berney, Herbert Peck, instructor, Larry Crehore, Frank Jensen, Woodrow Perrier, Lloyd Downs, Lloyd Miller, Delbert Bussert. Center, Front—Mary Janet Prouty.

In comparison to the low senior class of last year, ours is very small. We have but twelve members, but among them are several of the most active boys in school.

"Duke" Downs, Richard Berney, Ira Inman, and Lloyd Miller, are all active in athletics. Lloyd Miller was Block "F" vice president this year, and next year will be captain of Fallon's Green Wave football team. The other three boys will play for one more season before they graduate.

JUNIORS

Left to right. Top Row—J. Myers, A. Mathewson, Bill Lattin, T. Ito, R. Sorenson, E. Clayton, B. McGoldrick; Second Row— F. Dean Moore, instructor, Tom Snelling, A. Guire, C. Sorenson, M. McCain, M. Madieros, D. Davis, D. Spoon, M. Weishaupt, I. MacGillivray, instructor; Third Row—R. Dick, Georgia Temple, D. Dedriksen, R. Hoyt, H. Prudler, B. Paul, L. Harriman, H. Knobloch, N. Osterlund, M. OFFICERS—Richard Berney, President; Herman Shoffner, Vice President; Buddy Danielson, Treasurer; Wilma Newman, Annual Representative.

As Juniors we have experienced our first taste of the dignity of upper classmen and are more than prepared for the much larger taste to appear next year.

We have not been overly active as an organization but we have loyally participated in all school activities. One of the peppiest assemblies of the year was the one sponsored by our group the Friday before Easter vacation. The program was arranged and presided over by Richard Berney, class president. Rev. A. L. Schrock of the Episcopal church delivered the Easter address and Harriet Knobloch gave an interesting account of Easter in different countries. The student body sang a number of songs and Julia Barkley gave an amusing reading. The newly formed jazz orchestra, made up by Jean Stewart at the piano, Merlyn Scholz at the drums, and Buddy Danielson playing the trumpet, made its first appearance.

Our class dance was held the first week in April and the Junior-Senior banquet which is given by the Juniors for the graduating Seniors, was held in May.

OFFICERS—President, David Spoon; Vice President, Myra Inman; Secretary, Barbara Paul; Treasurer, Marie Evans; Annual Representative, Bill Lattin.

We Sophomores pride ourselves upon having made our debut as entering freshmen with poise and self assurance rather than making it in the traditional, unobtrusive manner.

And why did we have the courage to assume an air? We knew we were going places in high school, and we have.

Most of the B squad in basketball was composed of Sophomore boys who made a good showing during the season, and have definite prospects of making next year's A string.

David Spoon and Donald Bowers, both Sophomores, made the cast for the first school play put on this year. Bill Lattin, a Sophomore, made the debate team which represented Fallon at the forensic meet held at the University of Nevada in April.

To climax all, we Sophomores ran the seniors a fair second in the intra-school track meet sponsored by the 20-30 club, April 23. The following day Thomas Kent placed in the mile at the district meet in Yerington.

During the latter part of April we gave a hard times party. Buddy Danielson's orchestra played and we decorated the dance floor in red and white. Everyone wore old clothes and the spirit shown in the Paul Jones more than smacked of the good old days.

OFFICERS—President, Jim Allison; Vice President, Charles Beach; Secretary, Gynith Wemple; Treasurer, Margaret Summerbell; Annual Representative, Patty Crehore.

No time was lost in making us feel the inferior position we were to bear for one whole year as Freshmen in Churchill County High School.

We were immediately forgotten after the first day. Not 'till after Thanksgiving did the upper classmen remember we were around, and give us a belated welcome. It came in the form of a party. Hot dogs were served for refreshments—all for our childish delight, we suppose, or perhaps in payment for white-washing the "F" on Rattlesnake Hill the week previous.

Nevertheless, as "unencouraged" as we were, we had a number of boys and girls out for basketball. Some of the boys entered the 20-30 track meet but took no honors.

Early in May we gave a party and invited the rest of the school to enjoy some of our hospitality. After all was over, the upper classmen had a better idea of our possibilities, and realized that down underneath we have our good points—we hope!

With diplomas in hand, and the world before us, we greeted the close of an old chapter in our lives and the opening of a new one with confidence and surety a year ago this June.

Each of us had a destination in mind. Some of us planned to go to college. Others had jobs in view. Yet when September 8 rolled around ten of us found ourselves standing in the hall eagerly awaiting Mr. McCracken's welcoming address, and were glad we were to be included once more.

During the course of the school year five of our number dropped out. The five of us who remain are again preparing for an exit with one more year of school to our credit. That year has been one of profit. We have improved in our various fields and we are satisfied that whatever we find to do can be done better than it would have been without this year's experiences.

Churchill County High School has a band, for the first time, equipped with both uniforms and instruments.

Organized by Herbert M. Peck, it made its first public appearance one month after it was assembled, at the Democratic rally last fall. Shortly after that it played for the Republican rally.

Trim in green and white uniforms, the band played at the state football championship game at Yerington. It was the only band to attend the game and added zest and color during intervals between quarters.

Pep was generated in a hurry at rally meetings previous to basketball games, as well as maintained during games in time out and quarter intervals during the entire season. As a pep generator for school activities the band was definitely a success, but real merit came to members of the group when a grade of "superior," second highest honor in competition, was accorded them by judges of the State Music Festival held in Winnemucca early in May. All thirty members of the band attended, traveling in a school bus. Upon arrival they entered the grand march, formed an "F" for Fallon and a "W" for Winnemucca before the reviewing stand, and finally played in a mass band concert in which 700 students from all over the state took part.

With this year's experience band members have hopes of being classed first rank in the state next year.

ORCHESTRA

Top Row, Left to Right—W. Williams, R. Hoyt, J. Holmer, B. Waller; Second Row—D. Bowers, B. Marsh, F. Stiverson, G. Carlson, M. Moore; Bottom Row—L. Danielson, C. Best, M. Evans, H. Sasaki, R. Hoyt.

Thirteen is supposed to be an unlucky number, but judging from the high school orchestra, it carries little meaning. This year the orchestra has thirteen pieces, counting the piano. There are four violins, a string bass, a clarinet, two trumpets, three trombones and an alto.

The orchestra first played for the student body in October, in a program launching "Lahonton" subscriptions. The program was given in the form of a radio broadcast, and introductory and closing numbers were provided by the orchestra.

On May 14, the orchestra played for the Fashion Show put on by the girls in Home Arts.

Miss Cousie Coverston was director of the orchestra this year.

GLEE CLUB

During the course of the last few years Churchill County High School's Glee Club has dwindled from a combined boy and girl chorus to a girls' chorus. This year thirty-seven girls formed the group. Virginia Brown, a transfer from Sacramento, at the beginning of the year accompanied the glee club, and F. Dean Moore directed.

Divided into two voice groups, soprano and alto, the girls met twice weekly on Tuesdays and Thursdays each semester for practice. They made several appearances in student body meetings during the year and sang at graduation exercises in June.

Members of the girls' glee club for the year were:

Sopranos: Beulah Boden, Charlotte Boulding, Ronda Brimhall, Annie Casey, Carolyn Corn, Jewel Hall, Florence Hancock, La Verne Harriman, Alton Hiatt, Norma Hiatt, Virginia Hubbard, Myra Inman, Virginia Jones, Wanda Jones, Idamarie Lappat, Margaret McCain, Charlotte Miles, Leora Nicolay, June Ogden, Anna Piazza, Georgia Shoffner, Lorene Sutton, Lois Williams. Altos: Madge Bafford, Iola Conner, Mary Copenhaver, Marie Gott, Rosemary Hoar, Harriet Knobloch, Marjorie Madsen, Roma Madsen, Melba Moore, Barbara Paul, Alice Sebus, Coral Sorenson, Jean Stewart, Gussie Venturacci.

OLD ENGLISH "F"

Back row, left to right—Mario Peraldo, Elliott Lima, Geo. Frey, John Boden, Jack Beach, Earl Nygren, Harry Stuart, Dale Miller. Front row, left to right—Norma Frazzini, Inabelle Jarvis, Min Jane Madeiros, Harriet Knobloch, Doris Jones, Virginia Pflum, Ella Swanson.

Old English "F" is an honor society made up of students who have earned special merit in scholarship or in interscholastic competition.

Any regular student, regardless of class, receiving a grade of not less than "A" in four major subjects for one semester is awarded an Old English "F". Any student who has been awarded first, second, or third place in state public speaking contests, dramatics, debating tournaments, shorthand and typing contests, Future Farmer meets or any other special merit for interscholastic competition is also entitled to the Old English "F".

A few of the present members are not included in the picture because they were absent at the time the group was taken. Others had not received their Old English "F" at that time since most of the interscholastic contests take place in the late spring after the year book has gone to press.

With the beginning class in Home Arts the largest in school history, the Home Economics department is fast becoming one of the most popular among the high school girls.

Besides learning how to cook and sew these girls study manners and stress personal grooming.

This year they gave several cake sales during noon hours, and sold popcorn at the basketball games, the proceeds being used to buy equipment for the department.

These girls displayed further evidence of their culinary ability by serving the annual F. F. A. father and son banquet this year, and entertaining the Rotary and 20-30 clubs at luncheon. On May 14 they acted as hostesses to the girls taking part in the Home Economics meet for the district.

COMMERCIAL

Left to right—Geo. Winder, Miss Stella Larson, instructor, Catherine Hauret, Herbert Peck, instructor.

Churchill County High School won two first prizes in the 1936 State Commercial contest held at the Reno Business College last May. Catherine Hauret and George Winder, both senior students, were the victors.

Having first place in Shorthand I, and second place for speed in Typing I to her credit from the preceding year, Catherine Hauret furthered her record in the recent contest by placing first in Shorthand II, making 90 words per minute with no errors. She also won the Advanced Shorthand Contest at 105 words per minute and four errors and then topped everything off by walking away with the Typing II first place at 60 odd words per minute.

George Winder entering the State Contest for the first time immediately experienced victory. He won the Shorthand I competition by making 60 words per minute and no errors.

Miss Hauret is now employed as bookkeeper in the I. H. Kent store in Fallon.

Winder, after taking post graduate work at the high school during the fall semester, is keeping books for the Eagle printing office, and helping in the print shop.

The Fallon chapter of Future Farmers of America is not only the largest but the best in the state. There are 42 members in the chapter, which was this year awarded $15 for being the best in the state.

The F. F. A. boys study agriculture in all its phases, both experimentally and academically. Each boy has his own project. Philip Jones, a senior this year, is raising 200 fryers, three cows, eight heifers, and an acre of watermelons. Ray Sorenson, junior student, has a half interest in 50 head of hogs and a half interest in 500 turkeys, while Martin Dodge, sophomore, has 27 head of beef cattle for his project.

In the spring of each year all the F. F. A. chapters in the state hold a meet in Reno. William Prudler of Fallon won the state public speaking contest this year and on May 18 represented Nevada at the regional meet in Reno, in which eleven western states participated.

Three teams were entered in the contests at the F. F. A. meet. Those who competed in stock judging were George Serles, William Prudler, Curtis Willard and Wendell Imus. Tony Erquiaga, Robert Swope, William Prudler and Leonard Smith entered the identification contest. Mario Peraldo, Elliott Lima, Ray Sorenson and Philip Jones competed in crop judging.

Leonard Smith was awarded the State Farmer degree for the year. This is the highest state honor an F. F. A. boy can earn.

Forum is an organization for the cultivation of correct speech and practice in expression of opinions in public. Much stress is placed on debating and speaking in fields of social advancement, science, history, and literature.

Membership to Forum is open to any student who is in good standing, at the beginning of each semester. This year forty-six students ranging from freshmen to seniors belonged.

Students are selected from this group to participate in the State Forensic meet held in the latter part of April at the University of Nevada each year. Usually Fallon is represented both in debate and extemporaneous speaking at the meet but this time it was represented only in debate. Jim Johnson and Donald Downs, senior students, and Bill Lattin, junior student, formed the debating team elected to go to Forensic.

Officers for the group are elected twice yearly at the beginning of each semester.

DRAMATICS

Back row, left to right—Donald Bowers, Larry Crehore, Jim Johnson, Jim Gibbs, Frank Jensen, Herbert Peck, director. Bottom row—Caroline Best, Marie Gott, Trina Behrman, Ruth Hiibel, Rosemary Hoar, Roma Madsen, Julia Barkley.

The first play given this year was "Special Delivery," a comedy in three acts. Members of the cast were Jim Johnson, Ruth Hiibel, Donald Bowers, Trina Behrman, Norman Toft, Frank Jensen, Marie Gott, David Spoon, Roma Madsen and Caroline Best. The play was put on for the public in November.

During the second semester three one-act plays were prepared as possibilities for entrance in the state forensic meet in April. Six judges, all townspeople, chose "Poor Old Jim," a comedy-drama, as the best one for competition. Jack Beach played the lead, while Jim Johnson and Trina Behrman supported him. "Poor Old Jim" was awarded third place in the Class A one-act play contest.

Four schools, Las Vegas, Sparks, Reno and Fallon, competed in the contest. First place was given to Reno and second to Las Vegas.

All three members of the Fallon cast received Old English "F" honor awards for winning a place in the play competition.

A senior play, the first in several years, was given shortly before the close of school.

The dramatics department was strengthened by several veteran players from last year. Among them were Jack Beach, winner of the title "Best Actor in the State," in the 1936 forensic meet, Trina Behrman, Marie Gott, David Spoon, Jim Johnson and Caroline Best.

Those students who became interested in dramatics for the first time this year were Rosemary Hoar, transfer from Los Angeles, Ruth Hiibel, Donald Bowers, Norman Toft, Frank Jensen, Roma Madsen, Larry Crehore, Julia Barkley and Jim Gibbs. There are a number of these students who do not graduate this year and promise to be valuable in dramatics in the future.

THREE ONE-ACT PLAYS

HUNGRY ALL THE YEARS

"Hungry All the Years," a rather slow moving comedy in comparison to most, was cast by Trina Behrman, Marie Gott, Larry Crehore and Rosemary Hoar. Miss Behrman played the part of a newly widowed step-mother. Crehore was her step-son and Miss Hoar her very critical daughter-in-law. As a sympathetic neighbor Miss Gott succeeded in freeing the unagressive mother-in-law of her presumptive relatives and started her upon a career of pleasure in her newly found freedom.

Miss Hoar and Crehore put on a credible performance for a first attempt at dramatics. Miss Gott and Miss Behrman were experienced players, having been interested in dramatics for the past two years.

SMOKESCREEN

"Smokescreen," a drama in one act, was one of the four plays considered for entrance in the Forensic contest. Jim Gibbs and Jack Beach played the part of two detectives who cleverly forced Julia Barkley, cast as Katy, an underworld character, to a confession of murder. Gibbs in his detective role disguised as a dope, played the part most convincingly, and Miss Barkley rose to emotional heights at the point of her confession in equally good form.

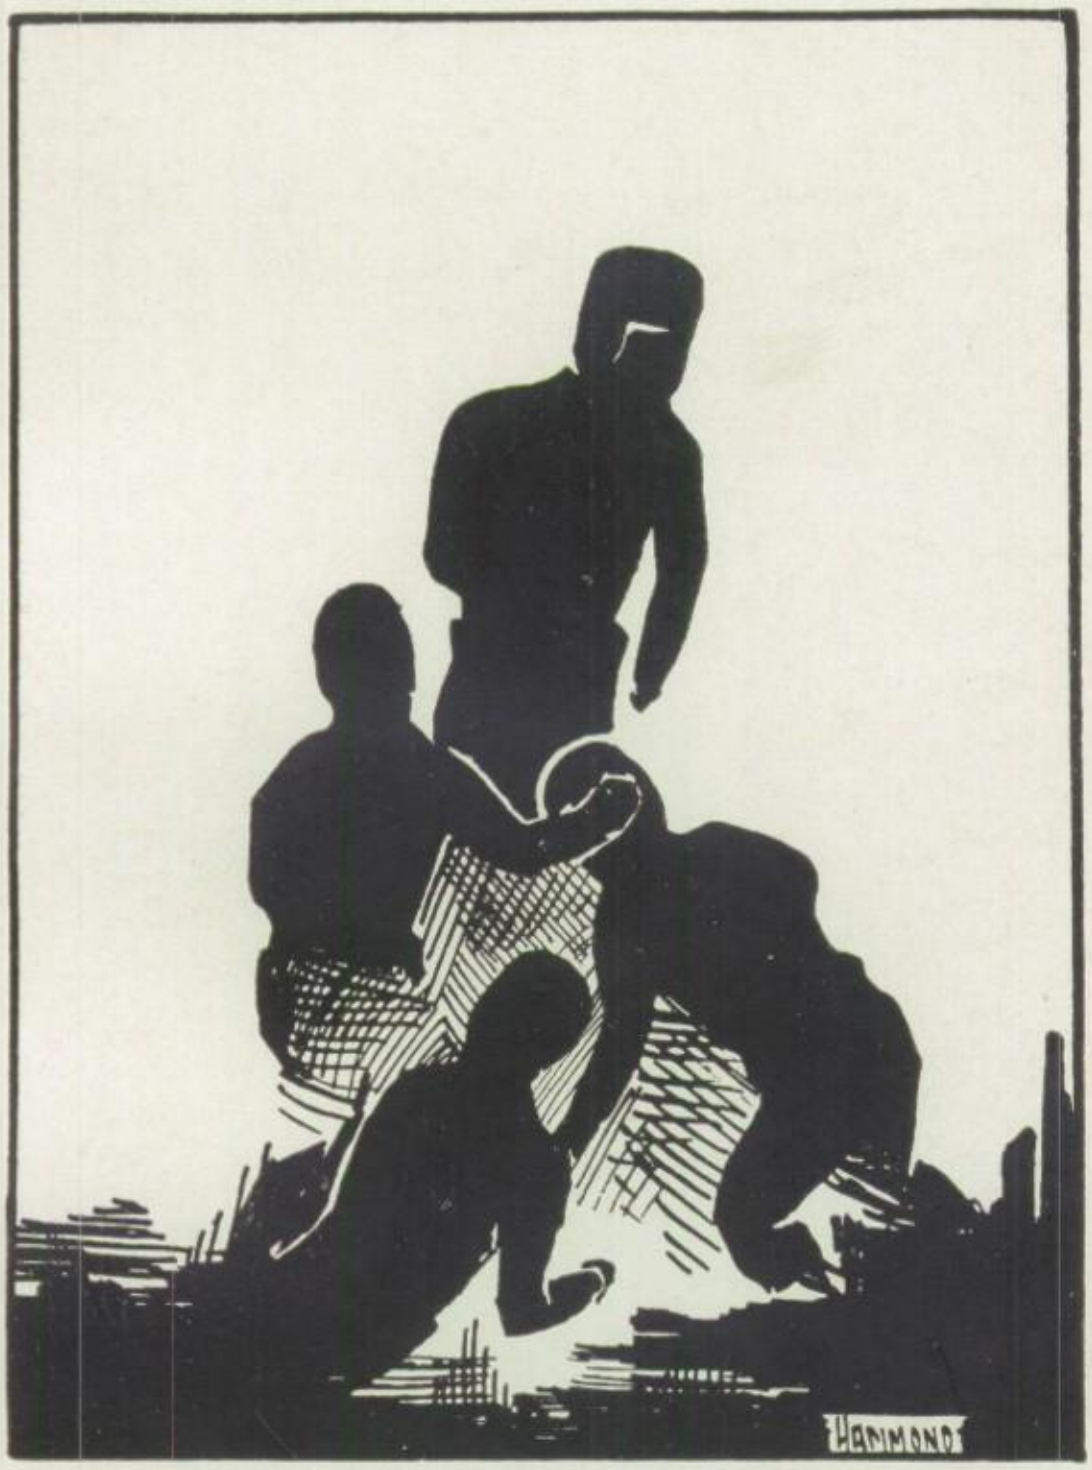
A PAIR OF LUNATICS

Because Caroline Best was called away from Fallon just before the tryouts, "A Pair of Lunatics," clever little farce in which she was cast with Donald Bowers, got no chance for selection as Churchill's entry in the state forensic tournament.

Nevertheless this one-act vehicle gave these two members of the dramatics department personnel a chance to demonstrate real talent, and was enthusiastically received by members of the Fallon Rotary club, before whom Mr. Peck presented it as a Rotary luncheon program feature.

In this farce the principals, both guests at an asylum dance, developed some hilarious situations, when each mistook the other for an inmate and tried desperately to placate the supposed lunatic as a matter of self preservation. There was, of course, a happy and romantic ending when identities were revealed.

SPORTS



OUR NEW ATHLETIC FIELD

Churchill County High School has one of the finest athletic fields in this state.

For years the football boys practiced in the dusty, weed covered lot in back of the high school. Last spring the Fallon 20-30 club put an end to such misery by furnishing material and money for the large green oval now seen in the rear of the school building.

Turf was planted and cared for during the summer. A sprinkling system was installed, goal posts were erected and the old bleachers were remodeled, painted and placed on the south side of the field. By September the turf was green and tough, ready for the first rough and tumble home game.

20-30 has continued its project of improvement this year. Early in the spring fertilizer was spread on the turf and the track graded and leveled.

With the necessities for a good athletic field completed, the club has now instituted a program of beautifying the surrounding grounds. Five hundred trees were planted around the track and training quarters and a border of hedge set out.

Labor for these improvements was provided by the PWA.

"Willie" Capucci, newly named assistant engineer for the high school, cares for the field, keeping it in top-notch form.

The Lahontan Staff, in behalf of Churchill County High School, wishes to express its thanks to 20-30 and to "Willie" for the boost the recent improvement and upkeep of equipment has given the school toward attaining future athletic prowess in this state.

COACHES AND YELL LEADERS

Back row, left to right—Merlyn Scholz, yell leader, Assistant Coach Harold Curran, Coach Don Robertson. Front row, left to right—Trina Behrman, yell leader, Coach Stella Larson.

With the close of this year Stella Larson has completed her fifth year in Churchill County high school as girls' coach. Her basketball teams have been consistently top-notchers in the state. Under Miss Larson's supervision a girls' track team was organized with interclass competition in all events for the first time this year.

Donald Robertson for seven years has been coaching football and basketball in the school. Both of this year's teams rank among the best the school has had. More interest has been taken in track under Robertson's guidance, and the sponsorship of a meet by the 20-30 club. In former years track was one of Fallon's minor sports.

Harold Curran, a comparatively new member of the high school faculty is the "B" team coach. The team had an active season and made considerable progress. Several of the players are considered good material for next year's "A" string. Curran is also assistant football coach.

Trina Behrman and Merlyn Scholz, senior students, led the "Green Wave" through many a bout with their yells, and display ability to arouse even the calmest spectator to a frenzy of cheers for good old Churchill.

Boys' Block "F" is a society in recognition of ability in athletics. Boys who have played 96 minutes of football, 90 minutes of basketball, earned one point or more in interscholastic track, or played 27 innings in interscholastic baseball are entitled to belong to the organization.

This year all but one of the boys made their letters in football or basketball. Thomas Kent made his in track for taking fourth place in the mile at the Yerington meet. Nine schools participated in the meet.

Block "F" acts as a service group for the financial and publicity end of the athletic system. At the beginning of each sport season the boys sell football or basketball tickets to the townspeople and place game notices in down town windows.

FOOTBALL

September 22—The Green Wave made its initial appearance on the new turf field against the Winnemucca Buckaroos. The game was the typical early season fumble and pray affair. The Green Wave showed flashes of power, however, and had little difficulty in winning 10-0.

Fallon played host to the Reno Huskies on September 29. During almost all of the first half the Reno boys shoved the Green and White all over the field. Only numerous fumbles and a few timely tackles kept the Huskies from scoring. Then Reno heaved a nice, long lateral. Charles Lehman happened to be the first Fallon boy to realize that there was a football game going on, he clutched the leather, prolate spheriod to his manly chest and galloped 80 yards for a touchdown. After that the game was Fallon's. Downs went over for another marker late in the fourth quarter to cinch the game 13-0.

October 6—Fallon played its first out-of-town game with Carson City. Carson didn't have a chance. The Green Wave smashed over three touchdowns and two conversions. The game ended 20-0.

All the student body accompanied the team to Stewart, not to mention an outstanding turnout of townspeople. But all this support wasn't enough. The Bucks fell on a blocked kick to score in the first minute of play. This early play seemed to daze the Green Wave and Stewart had little trouble, blasting over another touchdown. Then Fallon woke up, blocked a Stewart punt, scored a touchdown and converted. But try as they might, the boys from Fallon could not cross the Bucks' goal line again. Score, 13-7, Stewart.

Fallon journeyed to Sparks expecting an easy victory, but the game turned out to be one of the hardest of the season. The Green Wave was lucky to get a 7-0 win.

We played the state champs-to-be in one of the best games of the year. It was hard-fought and clean, with Fallon having the best of the first three quarters. Then Yerington intercepted a pass, Fallon was penalized fifteen yards, and Yerington scored.

Armistice Day! The War over! Everyone quit fighting. Fallon foremost in a celebration for everlasting peace. Ely 7, Fallon 0. Oh, yes, the boys in Green really took that Armistice to heart, but those Ely boys didn't observe the great day at all. A fumbled punt, a misjudgment of lines, a knot-headed decision by a referee and the game was gone. The Fallon boys really had an off day and never once made a serious scoring threat.

We went to Reno expecting to repeat that pre-season game, but—the Huskies had a different plan, and after putting up the sloppiest game of the season we came home beaten by 14-6. Fallon fumbled away enough chances to make five touchdowns, but when the game was over Reno had 14 points and we had 6.

The last game of the season. The last football game for most of the boys. A happy "I don't give a darn" team took the field against the Susanville grizzlies, champs of the Northern California conference. The "Big Bears" took matters in their own hands at once, and slipped a pass over the goal for a touchdown and six points early in the first quarter. Then the Green Wave really went to town for the first time that season. They played a brand of ball that would have beaten any team in this state, and one that did beat the best team in Northern California. Fallon scored twice, once in the second quarter, and once again in the third quarter. They converted both times to make

the final score, Susanville 6, Fallon 14. After the first quarter Susanville "never had a chance." The Green Wave blocked, tackled and ran with the ball like a team possessed, and when you know that Susanville had the hardest tackling team that we met all season, and that they had one of the finest prep school punters to be seen, then you know that Fallon's Green Wave must have been a mighty fine team Thanksgiving Day.

As a grand finale to a great season, we send a message of congratulation to that clean-playing, hard-fighting Yerington team that so deservedly won the State Championship this year. We wish Yerington all success in years to come.

"B" TEAM RECORD

The Fallon B team made its debut against a smooth-playing quintet from B. D. Billinghurst school in Reno. The game was fast throughout, but the junior high boys came out on top—B. D. B. 27, Fallon 21.

Fallon, after a bad start, dumped the Fernley five, 21-14. Davy Spoon was high point man.

The Green Wavelets showed they had the stuff by defeating the Reno B team 25-21 in a thrilling overtime period. Weaver played a fine game and was high point man.

Sparks gave the Fallon five the worst drubbing of the year when they fairly mopped the Sparks floor with them, 22-7. Fallon simply could not get going at first, and when they finally did show something, they couldn't hit the basket.

Wadsworth beat the "B" boys 32-36 in a fast free scoring game. Spoon was high point man.

Wadsworth made it two in a row when they beat the boys in green on the Wadsworth floor. Wadsworth held an eight-point lead until the last two minutes. Then Fallon went on a scoring spree, chalking up 10 markers in the last two minutes. Too late—too bad. Wadsworth 30; Fallon 22.

The Reno "B" team seems to hold the same fix over Fallon that the "A" team does. The Reno boys won a slow, uninteresting game—22-13.

"A" TEAM RECORD

December 17—Fallon opened the 36-37 hoop season with an upset. The Green Wave whipped a strong Virginia City five 21-25, in a fast, exciting game. Toft and Ito played their first game for the Green and White. Lofthouse tied for scoring honors with Drysdale of the Muckers at 6 points. Ito of Fallon and Boegle of Virginia City made 5 each to tie for second.

December 19—The Green Wave was off to a fast start and the Winnemucca Buckaroos toppled before a somewhat ragged but determined offense, 17-14. Waldren turned in a nice game and took scoring honors with eight points.

After a three-weeks layoff the Fallon boys met the Reno Huskies on the local floor. The game was one of the best and closest of the entire season. The final score, Fallon 35, Reno 34. Lofthouse chalked up 12 markers to lead the scoring, with Paile of the Huskies a close second with 10 points.

January 9—A fighting Yerington team, weakened by illness, could do little to stop the Green Wave on the Yerington floor. Though Fallon played one of its worst games, the final score was Fallon 27, Yerington 11. Lofthouse took scoring honors with nine points.

January 15—Fallon cannot seem to overcome that old Stewart "Jinx." Fallon got off to a flying start and then blew up completely, and never played ball again until the last two minutes. A heart breaker! Stewart 20, Fallon 19. Murphy and Hicks of the Bucks made 10 points each to tie for first honors. Clayton of Fallon made eight and sec-

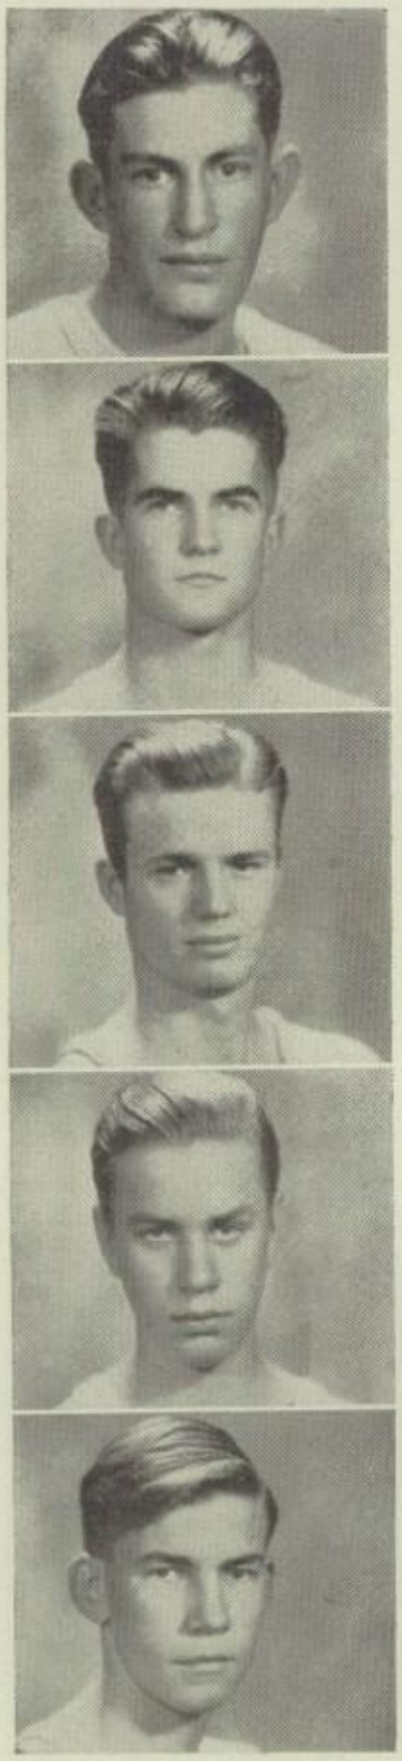
ond place.

January 16—Another one-point defeat. The Lovelock Mustangs beat the Green Wave on the Fallon floor, 16-17. The game was fast and rough. The Fallon boys could not seem to hit the hoop and that's the only thing that counts in basketball. Lofthouse again, with six points.

January 22—Fallon came out of the slump with a bang, and for the first time in the past several years defeated Sparks on the Sparks court. The game was very fast and exceedingly rough. Both teams fought every minute of the time, and not until Toft dropped in a basket in the last minute was there the least certainty of the outcome. Ito turned in one of the finest games ever seen on a high school court. Even after he was knocked out, he came back to play to the final gun. Guinn of Sparks made 10 points.



January 23—We get beat by one and win by two. The Green Wave defeated the Winnemucca five 22-20 in a fast, close game. DeArrieta of the Buckaroos dropped in a basket as the whistle blew for the end of the game, but it was ruled no score, and the game was ours. Waldren must have a grudge against Winnemucca; a good game, 12 points and high man. DeArrieta followed with six.

January 29—We defeated a small, inexperienced Dayton quintet 23-12 on the Fallon floor. The game was marked by Fallon's phenomenal streaks of basket missing. Had the Fallon boys had even moderate luck the score might well have been 60-12. Ito made 7 points to lead the scoring, with Toft second at six.

February 5—Oh, my! Oh, my! What the Frosh didn't do to us "hicks from the sticks" on the U. of N. court. The Green Wave seemed unable to see either side or end of the

court and the score shows we couldn't see the basket. Frosh 17, Fallon 7. Farris of the Frosh was high with six, while Toft and Ito led the Fallon boys with two apiece.

February 6—The fast traveling Douglas team was slated to eat the Green Wave, "guts and feathers," but the feathers tickled their throats. Fallon kept their intestinal fortitude and knocked the Gardnerville five over to a tune of 20-14. Fallon missed enough setups to triple the score, but we didn't make 'em, and if you don't make 'em, they don't count. Ito held high score with eight points. Miller of Douglas followed with seven.

February 13—A cocky, self-confident Fallon five were very nearly knocked off their high horse by a scrappy Serpent quintet. The large Hawthorne floor and a zone defense had the Green Wave guessing. Only superior passing gave the Wave 17-13. Kalambar of the Snakes had eight markers to take scoring honors and Ito followed with six.

Lovelock gave us one of the worst whippings of the season. Fallon got off to a good start and then went completely to pieces, and failed to show again until late in the fourth quarter. Lovelock 27, Fallon 19. Montrose of the Mustangs held high hand with 13 points. The absence of Ito wrought havoc with the Fallon defense.

History repeats itself. The Green Wave went down to defeat before a sharpshooting Reno five 17-24. The game was very close all the way, with Reno scoring six points in the last two minutes. Peterson, Reno, made 10 points, Simas making eight.

The first game of the district tournament was with Gardnerville. Fallon turned in a fine game to win easily 31-19. The game was rough, three men going out on personals. Ito's ankle injury was Fallon's downfall, and, with our star performer out, Reno had an easy time eating us the next night. Lofthouse scored high with eight points, Miller and Gibbs following with seven each.

The sad end of a great season. The Reno Huskies sinking baskets from all over the floor and playing a fine defense game, drubbed a clever, hard fighting but luckless Fallon five 15-27. Fallon got shot after shot, but failed to connect. Reno suffered a serious loss when Canton, fast, sharp-shooting forward, fell and broke his arm. Peterson was "flies in our soup" once again, scoring 11 points.

Hats off to Reno. They fight hard, play clean, and take the bumps squawkless. We need more like 'em.

Girls' Block "F" society, the only athletic honorary group for girls in the school, has nine members this year. Girls who have played ninety minutes of interscholastic basketball are entitled to a block "F".

The four new members added to the group this year were Marie Gott, Cleo Ludwick, Marie Evans and Roma Madsen. The five remaining members, Wilma Newman, Laverne Drumm, Eleanor Inman, Trina Behrman and Caroline Best, earned letters last year and met the requirements again this season.

The purpose of Block "F" is to create enthusiasm for girls' basketball, and to stimulate each girl to play her best.

GIRLS' BASKETBALL

Top to Bottom—Coach Stella Larson, T. Behrmann, C. Ludwick, R. Madsen, W. Newman.

The first game was played at Dayton. The trip over was made by bus. The game was very close, with Dayton leading 4 points in the first quarter. Fallon girls were able to gather up enough points, however, to win the game. The score was 27-33.

The game with Tonopah was cancelled so the girls divided the entire squad into two parts and played that evening against each other. One team was Rainbow Girls and the other non-Rainbow girls. The score was non-Rainbow, 9; Rainbow, 12.

The girls showed much improvement from the last game with Dayton when the Dayton team came here. The girls seemed more confident this time and defeated them 20-38.

The girls met their first defeat with Gardnerville on the Gardnerville floor. The Gardnerville girls had the advantage over the Fallon girls in height and confidence. The score was 15-36.

The trip to Goldfield was more exciting than the game. The girls ran Goldfield a merry chase and won with a score of 6-26. The whole squad went in a bus. The trip was fine and I'm sure it will never be forgotten. The Goldfield town team consented to play our "B" team so all of the girls had an opportunity to play. Our "B" team was defeated 34-16, but this game was all in fun and what fun it was!

The girls were very much surprised at the Wadsworth game to find it not as easy as they had expected. The girls played hard and defeated them 29-20. Wilma Newman was high point girl in this game by a large margin. She made 24 points out of the 29. The game was played at Wadsworth.

The last game was with Lovelock at Lovelock. Almost everyone got to play in this game and although the game was won 27-5, the girls fought hard till the end.

Top to Bottom—C. Best, M. Evans, M. Gott, E. Inman, L. Drumm.

Coach Larson—She has fought with the girls through every game, and given them encouragement. With her ability as a coach she has made them an outstanding team.

Trina Behrmann—Tean—Guard. Star of the Lovelock game. Kept her opponents scoreless.

Cleo Ludwick—Lud—and Marie Evans—Marie—Centers. An unbeatable pair in the center section. Their teamwork cannot be surpassed.

Roma Madsen—Roma. Her speed and endurance enable her to recover and play "loose" balls.

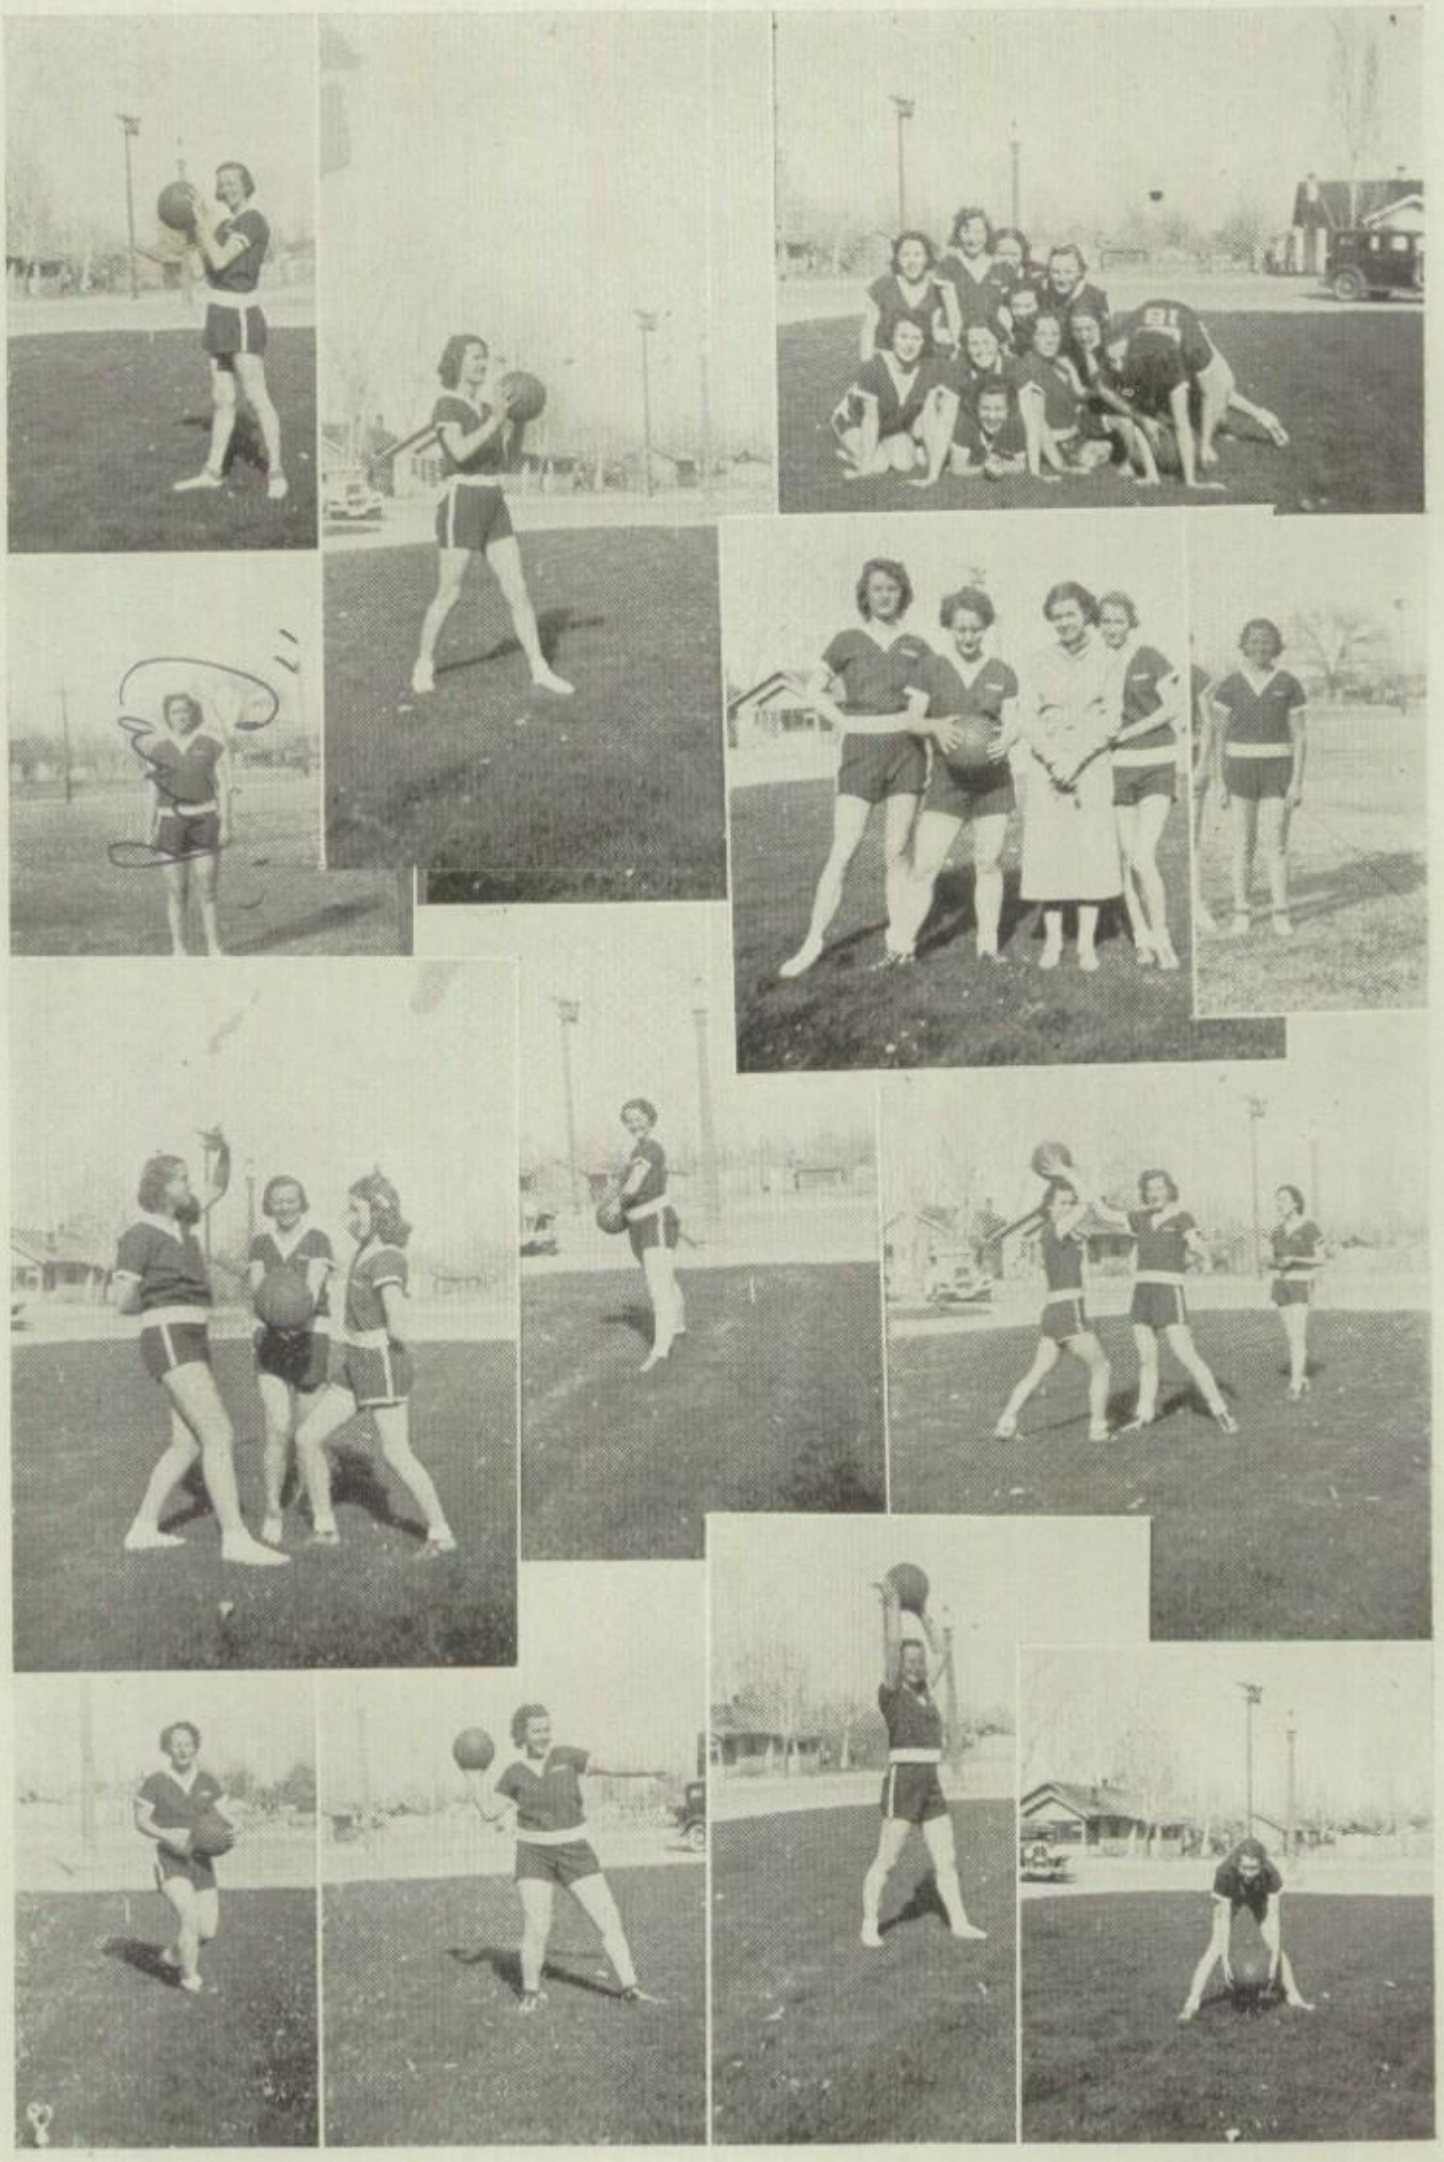
Wilma Newman—Newman—Forward. Her ability in handling the ball and scoring reached its climax in the Wadsworth game. Wilma and Jean McLaughlin play beautiful basketball together.

Caroline Best—Peaches—Forward. Our captain, because she could be depended upon to remain cool and calm at all times.

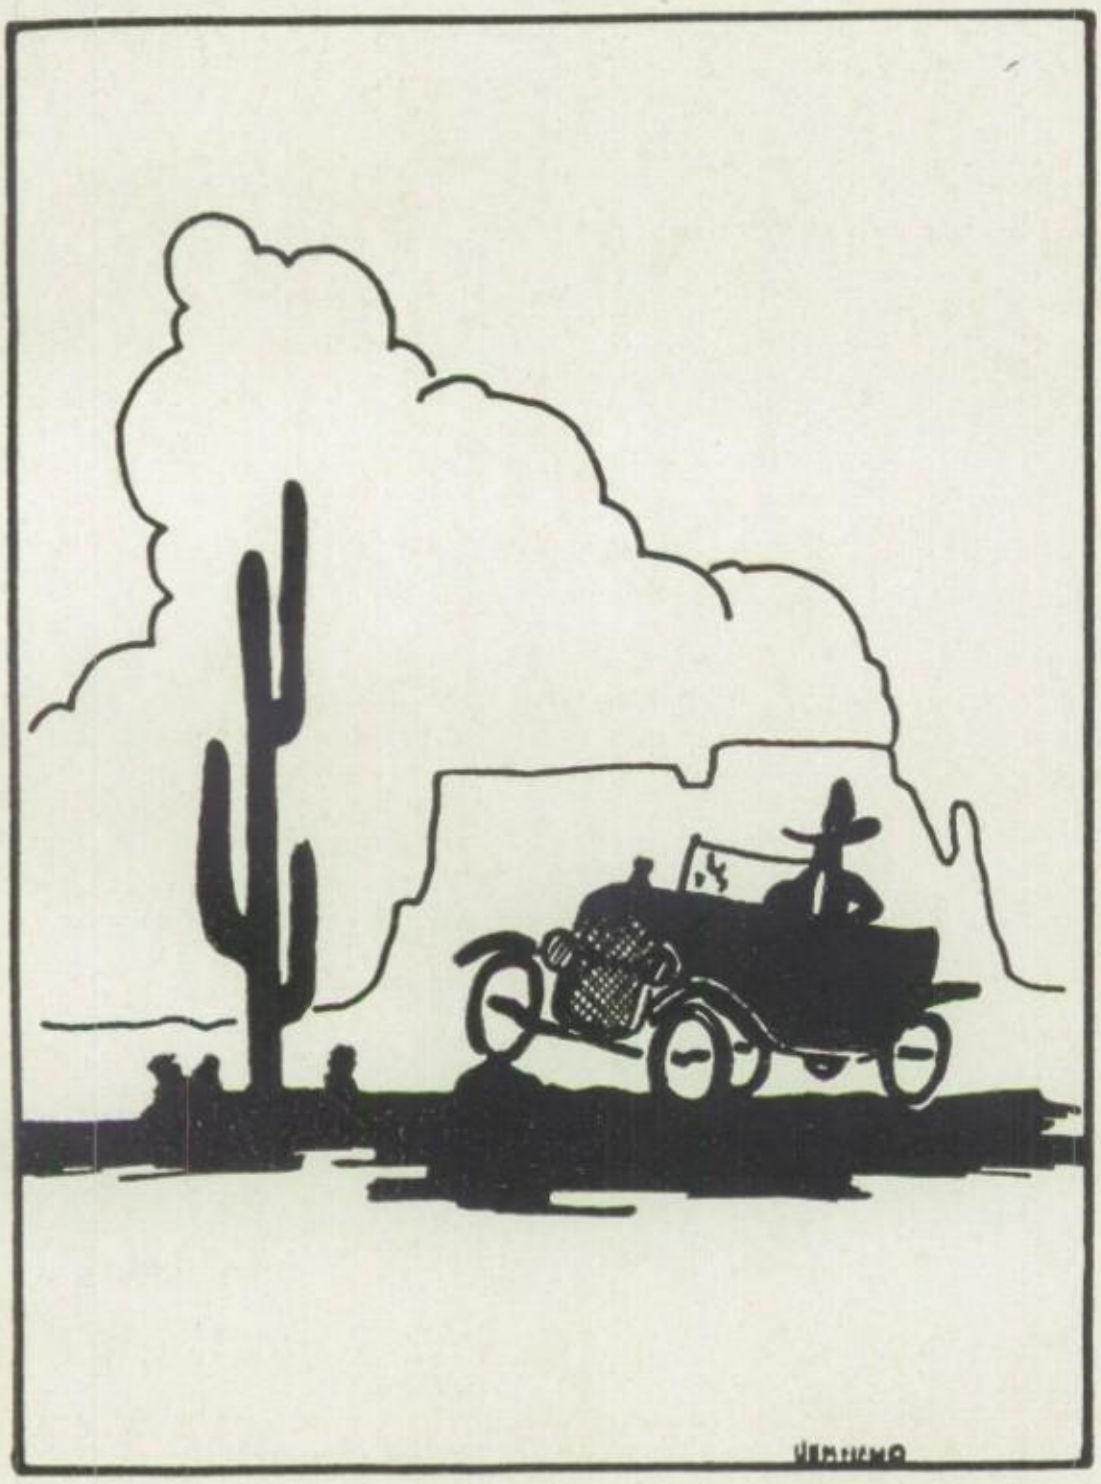
Marie Gott—Gott—Guard. Star of the Lovelock game, because she and Trina played ball together and kept their opponents scoreless.

Eleanor Inman—Inman—Forward. Showed ability to execute a clean pivot and dribble, followed by a one-hand shot.

Laverne Drumm—Lav—Center and Forward. Showed dependability in forwarding; also her strategy at centering makes her doubly valuable.



BALLYHOO



BROOM SQUAD

Top row, left to right—Harry Weaver, Harley Johnson, Jay Myers, Ralph Hoyt, Art Corbeil, janitor, Richard Berney, Brian McGoldrick, Lloyd Miller. Second row—John Madraso, Robert Marsh, Frank Cunningham, Howard Winder, William Lofthouse, Harry Stuart, Donald Downs, Alley Spoon. Bottom row—Delbert Bussert, Patricia Summerbell, Norma Frazzini, Lorene Sutton, Calvin Beeghly.

The Broom Squad is properly placed in the humor section of this book since membership to the squad is gained mostly by those students who enjoy themselves to too great an extent during school hours.

As an organization for punishment the Broom Squad has the rare quality of being a service group. Its members keep the floors of the school building well swept and oiled, the windows washed and the blackboards clean.

The acquirement of four demerits for misconduct is the only prerequisite for admission to membership. Any student receiving four demerits is required to work for 7½ hours in the building. For the fifth demerit the time doubles and 15 hours of work are required. With each new acquisition up to eight demerits working hours double the previous number. As soon as a student reaches his eighth and last demerit he is automatically suspended from school.

DIRT

ODE TO A BEWILDERED EDITORESS

—By A Befuddled Adviser—

Oh, what will erase from on thy brow,
That unbecoming crease that rests there now?
Might it be that when the year book's done
That crease will melt away in fun?
They say an editor's life is full of glory and blaze,
But, Blimey! If it doesn't seem to be a haze.
Copy lousy—Ads not in,
Staff not working worth a pin

Pound, pound, pound—
How I hate that typing sound!
Copy! Ads! Poses! Views!
Oh, for somethin' else that's news.
News, did I say?
It comes the day
The year book's out
And I can shout—
Here's how! And here's to fun!
For, thank God, my battle's won!

FURIATION ALIVE! WHAT'S THIS?

'Twas in the old days of ALLAN-a-DALE, a bold FREEMAN whose LAW(ry) extended for MILES around over MARSH and DOWNS.

And in the BRIMHALL of WINDER there was held a great feast in honor of McKNIGHT of the brave HART; gallant in the FREY, deadly as a BUSSERT in HARMON the enemy, nor did he mind the HASSARDS encountered in his brave deeds.

In continuing with my story the table in the great BRIMHALL was loaded with delicacies. IMUS refrain from too much description of the LUHRS there upon. The guests were seated upon CUSHMANS, each provided with SPOON which merrily they did dip into the BERNEY broth, the one taking care to DODGE HOOVER might be in his way. Long did they gorge of the good BOYDS, made tasty with CORN and the BEST of RICE as stuffing, and BROWN(ed) to a crisp.

When each of the guests had his fill the company SAUNDERED to the PIAZZA to watch the fool make merry with his JESCHES and GIBB life to the afternoon. Some were too weary to get DUPONT (the point) and settled back in the MELLO sunshine gazing idly at the MOORE sprinkled with MUSTARD flowers. Suddenly the stillness of the HOLLIDAY was dashed by the entrance of the Master's MADSEN who OTT to have been in a WARD for the weak minded.

The company, no longer at its BEST, parted to the strains of a SWANSON (swan song) by McKNIGHT of the brave HART and took themselves each to his respective (a)BODE(n).

IT'S BUZZED AROUND THAT---

Alley Spoon is getting demerits.
Marvin W. is waiting for the young Shoffner.
Roma is still roaming.
Rosemary is still a little old fashioned girl.
La Verne Harriman's heart is in Reno.
Caroline Corn is still hoping, and Peg Summerbell is doing her best.
Harriet is still dodging.
Chuck Beach has a secret sorrow.
The Stillwater clan still remains unbroken.
Mabel Gomes is dreaming of a happy little home.
Norma Hiatt prefers the Court House.
Wilma has broken Primo's constitution.
Inabelle is collecting jewelry.
Dorothy Davis prefers red hair.
Bill Lattin is buying an annual (while we're at it, Dick too).
Tomomi Ito is woman chasing.
Margaret McCain, Lois W., Ruth L., have something in common.
Sis Saunders has changed her mind.
Coral S. has beaten Virginia Warr's time. (V. Warr isn't losing any time).
Dave Spoon is a ten-woman man.
Alton Boden and Earl Faupell have signed a truce in English.
Brian M. has quit getting demerits (now that school is out).
Randall Dick always gets to school on time.
Lois Alberson is in love. (How about it James?)
Charlotte B. bleaches her hair.
Nevada Tow is doing okay.
Gynith gives them all a break.
Frank Jensen won't take no for an answer. (Let's give him a break, girls).
Ward E. is actually persistent.
Clyde Smart likes the "skirts."
David E.'s weak moment is—Geometry!
Ira Inman doesn't want to graduate.
Buddy D. chooses the pick of the Freshmen (Poor Jack Whalen).

"ART"

With this annual we cannot part,
Unless a word is said for "Art."
Without his laugh and beaming face
This school would be a dreary place.

He doesn't delve in verse or lore,
But footprints on the high school floor,
So writes in letters, large and neat,
"Students! Please wipe your feet."

He does a skull cap often wear,
To cover his head, now minus hair.
And sometimes, when the north wind blows,
His headgear then "a-sailing goes."

Last but not least, we all must say,
That "Art" is really just "O. K."
Without his broom and briar pipe,
This school would be a sorry sight.

NOT ALONE

Mrs. Jones could only find two aisle seats—one behind the other. Wishing to have her sister beside her, she turned and cautiously surveyed the man in the next seat. Finally she leaned over and timidly addressed him:

"I beg your pardon, sir, but are you alone?"

The man, without turning his head in the slightest, but twisting his mouth to an alarming degree and shielding it with his hand, muttered:

"Cut it out, Kid—cut it out! My wife's with me."

"JEST WONDERING"

"Auntie," asked little Jane, "why do you put powder on your face?"

"To make me pretty, my dear."

"Auntie," suggested Jane, after thinking a moment, "are you sure you're using the right kind of powder?"

THOSE TOUGH CITIES

A mountain man, who rarely, if ever, visited a town of any size, came to a city with his son, traveling in a rattletrap car.

Climbing out on one of the main streets, the old man appeared fascinated by the pavement. He scraped his feet on the hard surface, and turning to his son, remarked:

"Well, I don't blame 'em for building a town here. The ground is too darn hard to plough, anyhow."

"Hey, Jake, where are the old cuspidors?"

"I threw them away."

"Gosh, I'm going to miss them."

"You always did."

SO MUCH FOR HIM

A distinguished visitor to a lunatic asylum went to the telephone and found difficulty in getting his connection. Exasperated, he shouted to the operator:

"Look here, girl, do you know who I am?"

"No," came back the calm reply, "but I know WHERE you are!"

Doctor: "Because there is a fire across the street, and I didn't want you to wake up and think the operation was a failure."

POKER

"My husband won a thousand dollars at poker the other night and he split with me."

"No, he took his thousand and left!"

Neighbor Lady: "Willie, I need a dozen eggs from the store. Do you suppose you could go for me?"

Willie: "No, but I heard Pa say that he could."

MASS PRODUCTION

An old lady, in London for the first time in her life, saw on the front of a high building a glaring sign, which read: "The Smith Manufacturing Co."

"Laws a mercy," she remarked to her nephew, "I've heard of Smiths all my life, but I never knew where they made 'em."

WHISKERS

Frank J.: "My uncle can play the piano by ear."

Ira Inman: "That's nothing. My uncle fiddles with his whiskers."

Fortune Teller (to bride of a few months): "You wish to know about your future husband?"

Bride: "No; I wish to know about the past of my present husband for future use."

Buddy D.: "I suppose you dance."

Caroline C.: "Oh, yes. I love to."

Buddy: "Great. That's better'n dancing."

Repair Man: "Shall I install a loud or soft horn, sir?"

Mr. Peck: "Just one with a dirty sneer."

WITH FIXIN'S

Pat entered the dining room and proudly placed the turkey on the table.

Dr. Summerbell gazed with admiration at the bird's shape. "Wonderful," he said. "How beautifully you have stuffed it "

"Stuffed!" Pat echoed. "But this one wasn't hollow."

Mac.: "Now, Mr. Beeghly, if I lay three eggs here and five eggs here, how many eggs will I have?"

Cal (with a questioning glance): "I don't believe you can do it, sir."

RELATIVITY

"Ten stitches did the doctor have to put in my husband after the fight with your old man last night."

"Ten, was it? Well, when the doctor seen me poor husband carried in, says he: 'Has anyone got a sewing machine?' "

KNOTTY QUESTION

Small boy: "Dad, what are the holes in the board for?"

Dad: "Those are knotholes."

Small boy (after due consideration): "Well, if they're not holes, what are they?"

HER ROUND

Him: "Well, I suppose you're pretty angry because I came home with this black eye last night."

Her (sweetly): "Not at all, dear. You may not remember it, but when you came home you didn't have that black eye."

"How did you like those Chinese back-scratchers I brought you?"

"Is that what they were? Chinese back-scratchers! My wife's been making me eat salad with them!"

HOW MANY?

John: "My brother thinks a football coach has four wheels."

Albert: "Ha! ha! And how many wheels has the bally thing?"

He was on the train from Edinburgh to London. At each station he hurriedly left his compartment, rushed to the station and rushed back to the train again. After this had been repeated a number of times, a fellow passenger asked the reason. "It's because of my heart," the Scotchman explained. "The doctor says I may drop off at any time and I'm buying my ticket from station to station."

TRUE ENOUGH

Professor: "Can you tell me what would happen if an irresistible force would meet up with an immovable object?"

Student: "Yes; the same thing that would happen if two women drivers met in the middle of a one-way bridge."

BREAD ON THE WATERS

"I believe," said the cheery philosopher, "that for every single thing you give away, two come back to you."

"That's my experience," agreed the pessimist. "Last February I gave away my daughter, and she and her husband came back in August."

MUCH HARDER

Judy (admiring her engagement ring) —"There's nothing harder in the world than a diamond, is there?"

Jim (absolutely)—"Yes, sweetheart—keeping up the installment payments on it."

THEY USED HIS SOAP

The reporter was interviewing a prosperous soap manufacturer.

"It is a well-known fact," he said, "that you made your fortune out of soap, Mr. Lather. Now, to what do you attribute your success?"

"To clean living, my friend; to clean living," was the reply.

"Hey, Doc, can you help me? My name is Smith."

"No, I'm sorry; I can't do anything for that."

"I owe a lot to that old lady."

"Your mother?"

"No, my landlady."

Granddaughter: "Why, Grandpa! Whatever did you tell them?"

"Why do you weep over the sorrows of people in whom you have no interest when you go to the theatre?" asked the man.

"I don't know," replied the woman. "Why do you cheer wildly when a man with whom you are not acquainted slides into second base?"

Coach—"Why didn't you turn out for track practice yesterday?"

Miler—"Well, Coach, I couldn't; I had a date."

CONTRARY

A curious boy, watching a car being loaded at the station later inquired: "Why do they call it a shipment if it goes in a car and a cargo when it goes in a ship?"

RELEASED

Brown had been standing in the coal cellar for an hour with his fingers glued firmly over a leak in the water main.

"George," she shouted, "you can take your hands off that leak now."

"Thank heaven!" replied her husband. "Has the plumber come at last?"

"No. The house is on fire."

"Keep the cigar," said the conductor; "this is yesterday's train."

SIGHTSEEING

A foreigner wanted to see some typical Western mountain scenery, so he hired a car at Denver and told the chauffeur to do the best he could for him inside of two hours, which, he explained, was his time limit.

It was rather a hair-raising experience, the car careening up hill and down dale at a terrific speed. However, the man-in-a-hurry was satisfied and congratulated the driver when paying him off.

"But I say," he remarked, "I'm afraid we must have run over something an hour ago. I distinctly felt a bump."

"Bump!" replied the driver. "Bump? Oh, that was the Continental Divide."
